Hyperwallet Pay Portal Getting Started Guide

The Hyperwallet Pay Portal has been designed to provide you with fast, convenient, and reliable access to your earnings. Now you can do payday your way thanks to a multitude of self-serve tools, easy on-the-go access, and automated payment transfer methods.

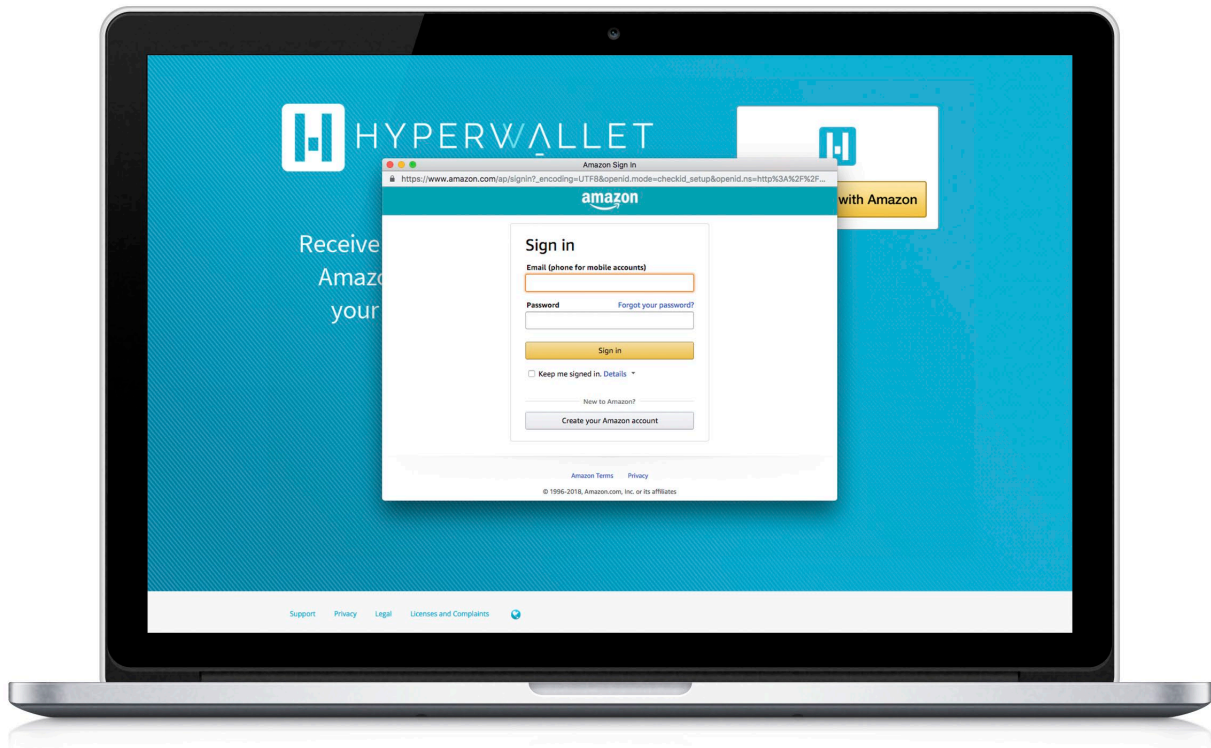

Sign Up with Hyperwallet using your Login with Amazon credentials

From your Amazon Mechanical Turk account, you will be redirected to the Hyperwallet Pay Portal landing page.
<https://worker.hyperwallet.com>

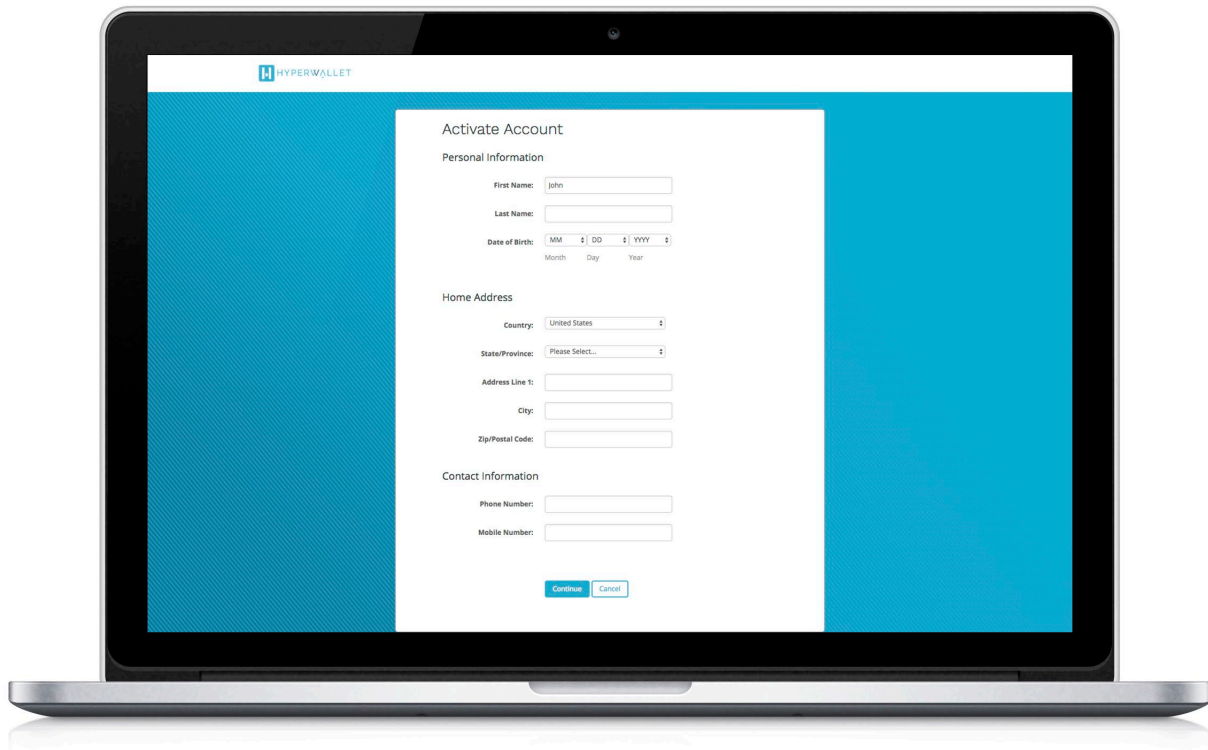

Once you select  a new window will appear and prompt you to sign in using your Amazon Mechanical Turk account. After entering your account credentials, select "Sign In".

Account Activation Screen

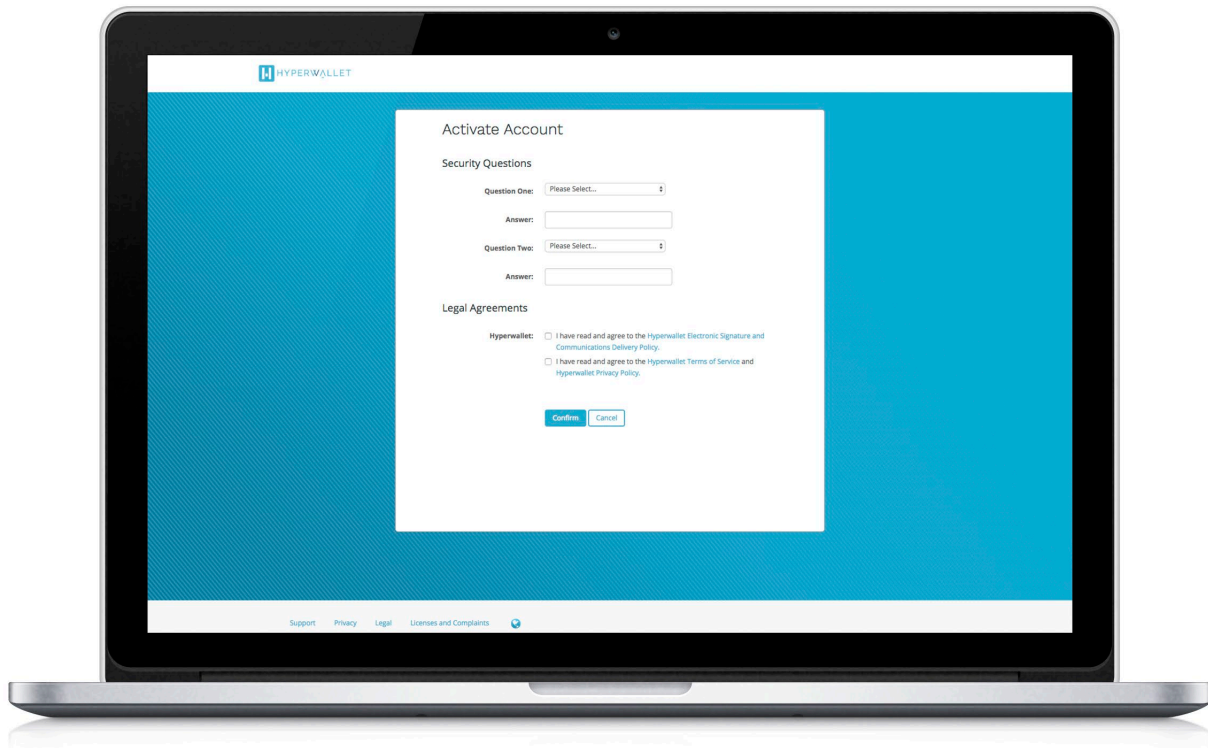

To activate your Hyperwallet Pay Portal account, enter in your personal information. Hyperwallet will need to collect these details to create an account for you.

The screenshot shows a laptop displaying the Hyperwallet 'Activate Account' form. The form is titled 'Activate Account' and is divided into three main sections: 'Personal Information', 'Home Address', and 'Contact Information'. The 'Personal Information' section includes fields for 'First Name' (with 'John' entered), 'Last Name', and 'Date of Birth' (with dropdowns for MM, DD, and YYYY). The 'Home Address' section includes dropdowns for 'Country' (set to 'United States') and 'State/Province', and text input fields for 'Address Line 1', 'City', and 'Zip/Postal Code'. The 'Contact Information' section includes text input fields for 'Phone Number' and 'Mobile Number'. At the bottom of the form are 'Continue' and 'Cancel' buttons.

Security Questions & Agreement

For your security, please select and answer two questions. You may be asked these questions as a means of verification if you contact Hyperwallet Pay Portal team for assistance.

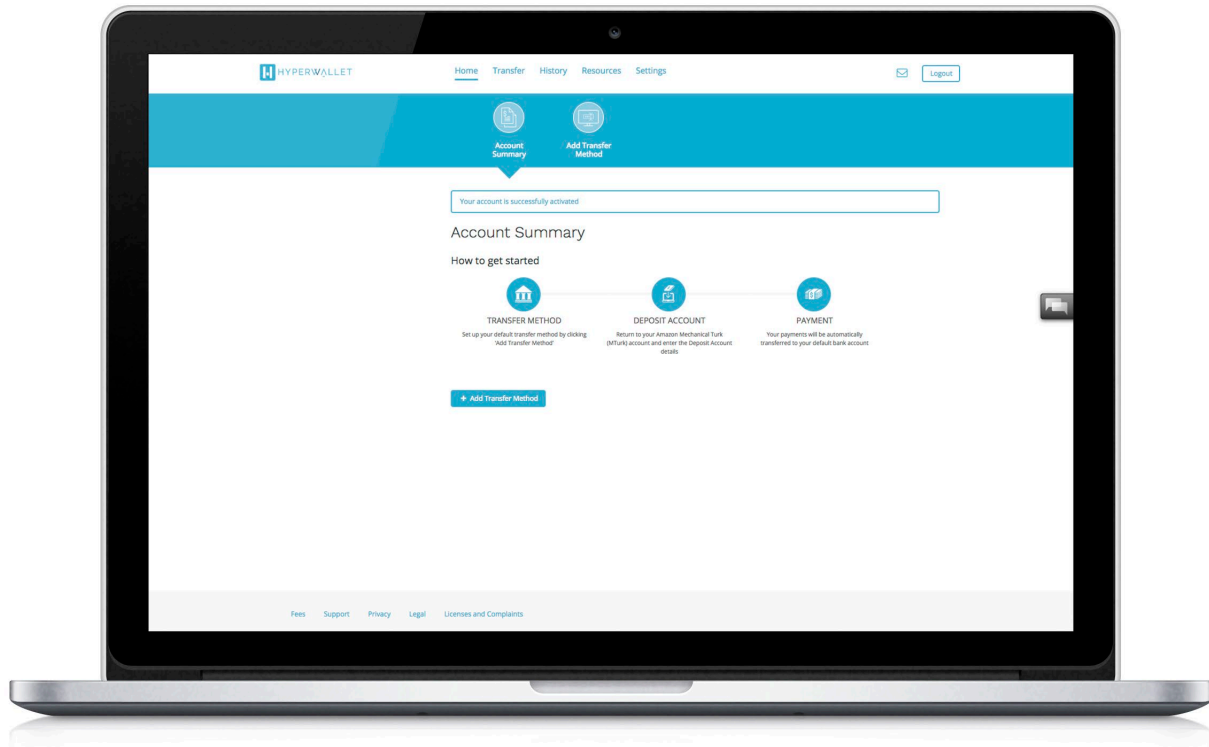

The screenshot shows the same laptop displaying the 'Activate Account' form, now at the 'Security Questions & Agreement' section. The 'Security Questions' section has two questions, each with a dropdown menu for selection and a text input field for the answer. The 'Legal Agreements' section has a 'Hyperwallet:' label followed by two checkboxes: 'I have read and agree to the Hyperwallet Electronic Signature and Communications Delivery Policy' and 'I have read and agree to the Hyperwallet Terms of Service and Hyperwallet Privacy Policy'. At the bottom of the form are 'Confirm' and 'Cancel' buttons. A footer at the very bottom of the screen contains links for 'Support', 'Privacy', 'Legal', and 'Licenses and Compliance'.

ACTIVATE YOUR HYPERWALLET ACCOUNT

Once you have successfully activated your Hyperwallet Pay Portal account, you will be brought to the Hyperwallet Pay Portal dashboard.

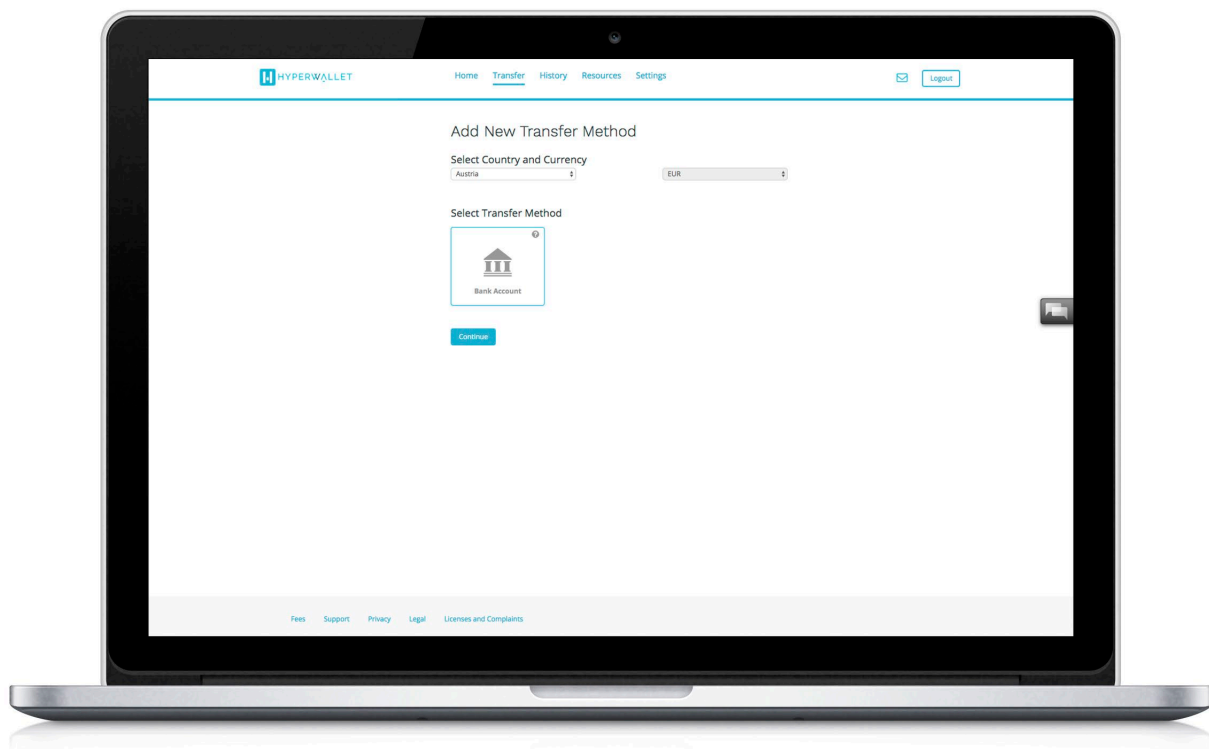

The dashboard will indicate the next steps in registering with Hyperwallet. To continue with the process, please select ["Add a Transfer Method"](#).

Add New Transfer Method

Select the country where your bank account is located and the applicable currency. This will reveal the Transfer Methods available for your location. In general, the options will be Wire Transfer or Bank Account.

Select the Transfer Method you want to proceed with and click ["Continue"](#).

Enter Your Bank Account Details

Enter in the details of your bank account. The best place to find these details is by verifying with your financial institution directly or using the details found on a check for your account.

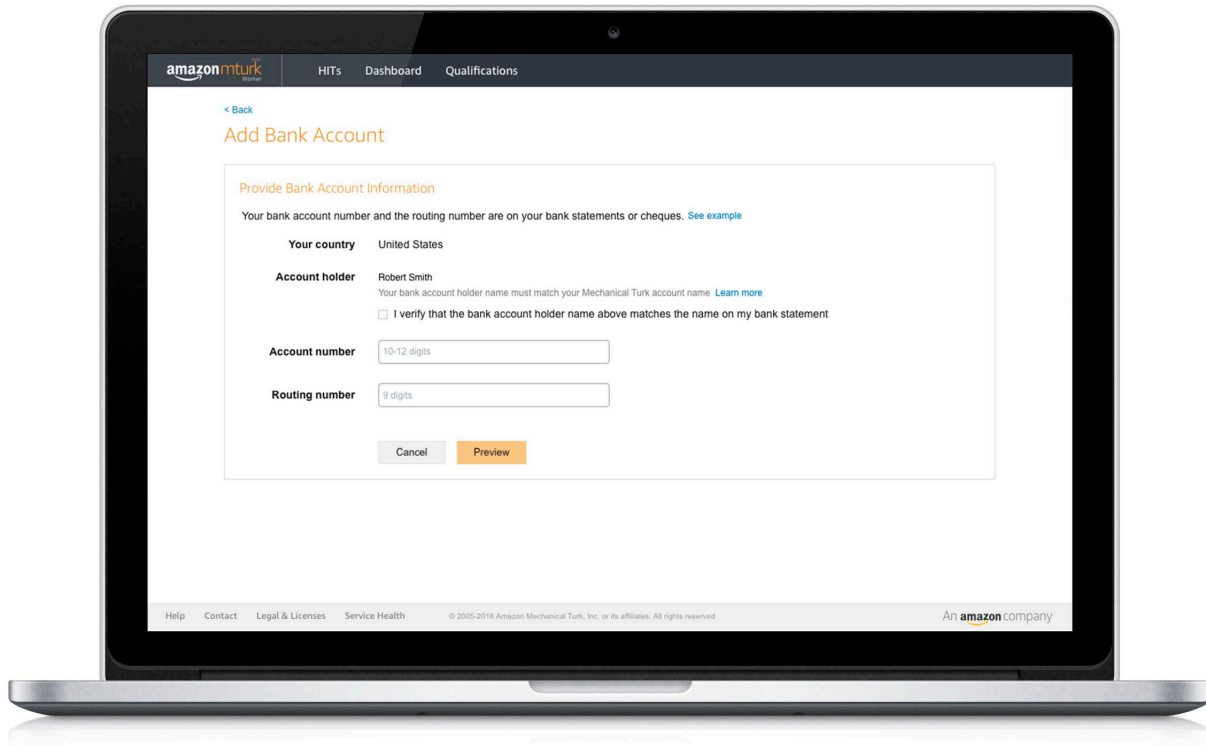

Note: If your selected Transfer Method is "Wire" you will be prompted to enter a valid BIC/SWIFT code. Once you have entered a valid BIC/SWIFT code, the financial institution details will be populated automatically. The only other information required is the bank account number.

The screenshot shows the 'Add Transfer Method' page on the Hyperwallet website. At the top, there is a navigation bar with 'Home', 'Transfer', 'History', 'Resources', and 'Settings'. A 'Logout' button is in the top right. Below the navigation bar, the page title is 'Add Transfer Method'. A red-bordered warning box contains the following text: 'IMPORTANT: You are responsible for entering the correct Account details and your bank may only allow transfers to Accounts that are titled in your name. The information you enter may not be validated. Any error on your part or the entry of an Account that is not titled in your name may result in the payment to the wrong account and the loss of your funds or failure of the attempted transfer. In addition, your bank may impose processing fees which will be deducted from your portal balance.' Below the warning box, the 'Account Details' section is visible. It includes the following fields: 'Account Type: EUR Bank Account', 'BIC/SWIFT: [input field]', 'IBAN Number: [input field]', and 'Remember As: [input field]'. At the bottom of this section are 'Continue' and 'Cancel' buttons. The footer of the page contains links for 'Fees', 'Support', 'Privacy', 'Legal', and 'Licenses and Complaints'.

The screenshot shows the 'Add Transfer Method' page on the Hyperwallet website, displaying the 'Confirm' section. The navigation bar and warning box are the same as in the previous screenshot. The 'Confirm' section is titled 'Confirm' and contains the following information: 'Account Details' with 'Account Type: Austria Bank Account', 'BIC/SWIFT: AAAAA13333', and 'IBAN Number: AT811904300234573201'; 'Transfer Fees & Processing Time' with 'Fee: €0.20 EUR' and 'Processing Time: 2-3 Business days'; and 'Owner of Record' with 'Full Name: John Smith', 'Address: 575 Market St., Suite 3650, San Francisco, CA, 94105, UNITED STATES', 'Date of Birth: Jan 1, 1982', and 'Phone Number: 8554693737'. At the bottom of this section are 'Confirm' and 'Cancel' buttons. The footer of the page contains links for 'Fees', 'Support', 'Privacy', 'Legal', and 'Licenses and Complaints'.

Deposit Account Retrieval

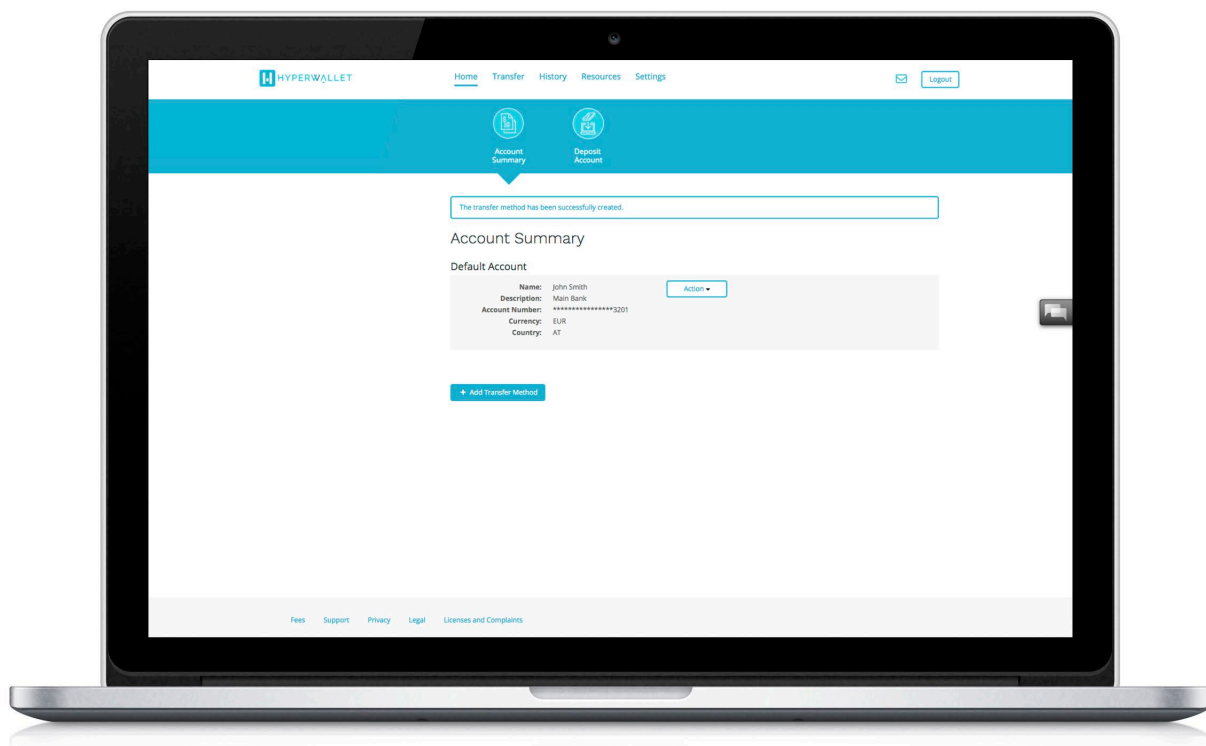

After you have saved your banking details, the **Deposit Account** details will be generated automatically. Please enter this information in your Amazon Mechanical Turk account.

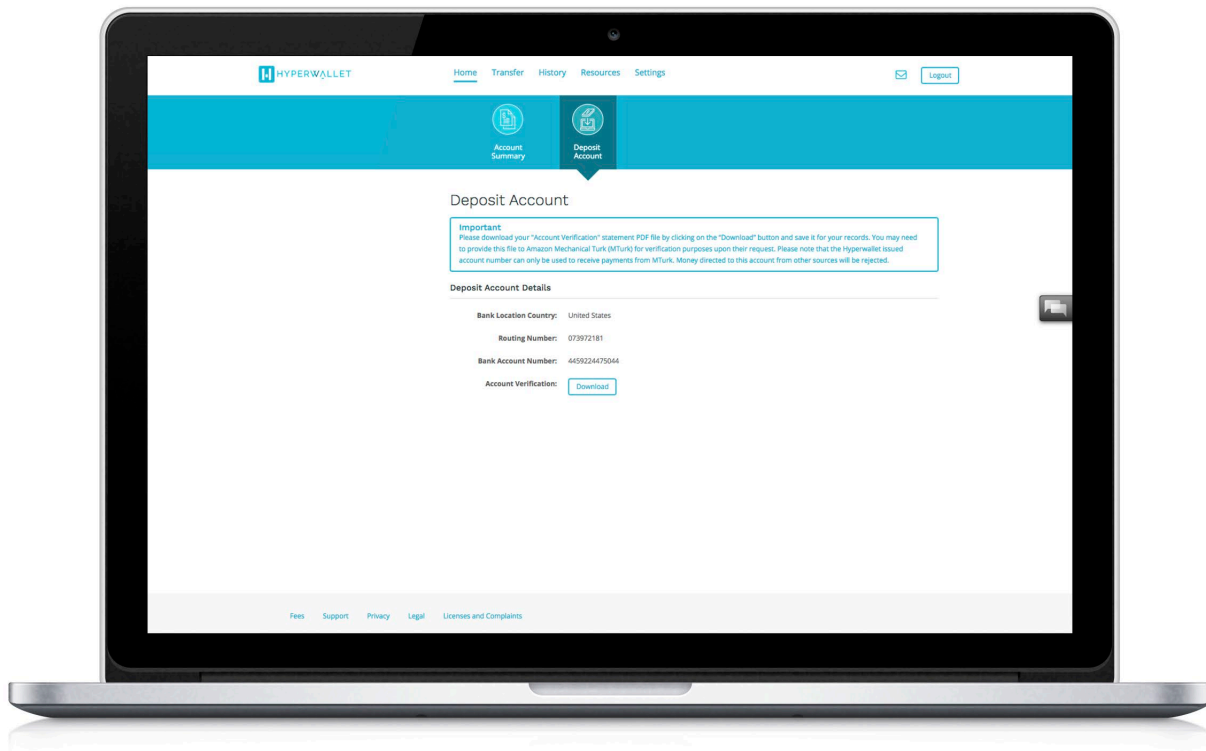

Updated Login Page

Once you have successfully saved your banking details and received a payment, you will see your account information and most recent bank transfer the next time you log into the Hyperwallet Pay Portal.

If you receive a payment but have not yet saved your banking details, you will see a notification on the Hyperwallet Pay Portal dashboard stating that you have a pending payment.

You can access your **Deposit Account** details at any time in the future on the Hyperwallet Pay Portal by clicking on **Deposit Account** in the blue **Action Bar**.

Questions?

This guide is designed to provide you with a high-level overview of important Pay Portal features.

For additional insight and assistance, please refer to the Pay Portal's [Support Centre](#) for FAQs and information on how to contact the Hyperwallet Pay Portal team.
